## High School District Meeting

The annual meeting of the Irma High School District was held in the school house on Saturday, January 26, at 2 o'clock, with a poor attendance. Mr. W. T. Barber was appointed chairman and on account of the absence in the East of the secretary, Mr. L. S. Reeds was appointed secretary for this meeting. The school had been inspected twice since the last annual meeting by Mr. Fuller. The reports showed the school was being well handled by the teacher, Mr. Reeds. All bills against the school had been paid during the past year and a nice surplus was left with which to start off 1935. A vote of confidence in the School Board and the teacher was passed at this meeting.

## NOTICE

A social credit study meeting will be held at Irma, on Monday afternoon, February 11th, 1935, at 2 o'clock. All interested are invited. The meeting will be held in Hedley's hall.

## Notice To Ratepayers

A Ratepayers' Meeting will be held in the Battle Heights school house on Saturday, February 9th, 1935, at 1:30 p.m. for the discussion of municipal affairs.

CHAS. WILBRAHAM, Sec.-Treas.,  
M. D. Battle River No. 423,  
Irma, Alberta.

## IRMA BEATS VIKING

Irma took Viking for another two points Saturday, January 26, when they shut them out 2 to a goose egg. Penalties were well assorted and temper blazing on the ice, and off as well. Lawson scored one and Frank McGuire one, while "Irma's Jake" was the big noise for Irma.

The standing to Tuesday, January 29th, is as follows:  
Irma, 19 points; Holden 15; Viking 10; Tofield 6.

## Irma Trounces Holden 10-3

Irma went to town last night here with lots to spare. The first period started with Holden having the best of the play, until nearly half-time, when Knudson betted the old pill in the net, and from then there was no holding the Irma gang. They bore down on the Holden goal like savages, and kept on coming for more and more until 10 goals were registered. Lane scored 5; Lawson 4 and Knudson 1, while Bob McGuire scored 2 and Edworthy 1 for Holden. And if you stay-at-homes don't think that Irma can lay on the juke, just come in Friday night when they play Viking at Irma. But here's hoping they have mercy on "Jack".

## Annual Meeting Village of Irma

The annual meeting of the Village of Irma was held in the village office on Friday, January 25th, at 8 p.m. The financial statement, showing increased receipts over 1933, was read and discussed. Considerable money had been spent on public works during 1934 and still the year ended with a nice credit balance in the bank and practically all accounts had been paid. The ratepayers present voiced their approval of the way the affairs of the village had been handled, by passing a vote of confidence in the council to which the mayor and councillors suitably replied.

## Registration of Pistols and Revolvers

Certificates of Registration has now been obtained at the R.C.M.P. Detachment at Viking for Registration of Pistols and Revolvers. All Pistols and Revolvers must now be registered in compliance with the New Act passed dealing with said weapons.

Signatures of the owners of Pistols and Revolvers are required on the certificate of registration. These are supplied in triplicate of which the original is retained by the owner of such weapon who signs his name on the space provided. Manufacturer's name, Calibre and Serial Number and other identifications on the revolver and pistol are required on Certificate of Registration. "Do not confuse parts number with serial number." A Registration Certificate is not an authority to carry any firearms of any description. A separate permit is required to carry revolvers or pistols, which may be obtained by the proper persons authorized. An alien must have a permit in Form 75 in any case.

When any pistol or revolver is re-sold, given away or in any other manner changes ownership, it must be re-registered in the new owner's name. This does not permit the owner to sell or give weapons to aliens without the necessity of first obtaining a permit as provided for by the Act.

The following is a quotation of the New Act in force:

Registration of Pistols and Revolvers—Section 121A of Section 3, Chapter 47, Statutes of Canada, 1934, reads as follows:

(1) Notwithstanding anything contained in any section of this Act relating to the issue of licenses for Pistols and Revolvers, every one is guilty of an offence and liable on summary conviction to a fine not exceeding fifty dollars or to imprisonment for a period not exceeding thirty days, or to both fine and imprisonment, who has in his possession a Pistol or Revolver without having registered the same as provided.

## NEWS ITEMS FROM JARROW

A quiet wedding took place on Wednesday, January 23rd, at 2 p.m., in the United church manse, Wainwright, when Lois Beal, second daughter of Mr. and Mrs. Fred Coe, of Jarrow, was united in marriage to Melran Vernal Koll, son of Mr. and Mrs. Koll of Sedgewick. Rev. T. E. Armstrong officiated.

The young people were hilariously chivariied Thursday night after the dance. Everyone wished them much happiness in their matrimonial venture. The happy couple are residing for the present with Mrs. Koll's parents in Jarrow.

Mrs. B. Matthews and Mrs. Ed. Peet took advantage of the excursion rates and spent last week-end in Edmonton.

A Social Credit class will be organized next Friday evening, Feb. 1st. The first meeting will be held in the station. Time and place for future meetings will be arranged later. The class is planning to make a thorough study of the Aberhart and the Douglas systems. A cordial invitation is extended to both men and women.

The Beaveridge Players did not reach Jarrow Thursday to put on the play, "Soft Soap", an advertised, owing to the condition of the roads. As a large number of young people had gathered in town, it was decided to have a dance, so hasty arrangements were made for the same. The Christenson orchestra furnished the music and everyone reported a good time.

A number of children have been absent from school of late with bad colds.

The infant son of Mr. and Mrs. Paul Loring has been taken to the Viking hospital. We are informed that the little one has a severe cold. We wish him a speedy recovery.

## EDDIE WENSTOB TO BOX IN ENGLAND

(From the Viking News)

Local boxing fans in this and adjoining districts will be pleased to hear that Eddie Wenstob, local boxer who made a meteoric rise to stardom, has at last found his big moment and is billed to appear on a big boxing program in England on February 4th, when he swags punches with Ben Ford, well known British boxer. Ben and Eddie box a semi-final to the main bout in which Jack Peterson, Empire heavyweight champion meets Bob Neusel for heavyweight honors. Fans in Alberta are all pulling for Eddie to get the nod over Ford and if he does it is only another step up the ladder of stardom.

## W. P. Strachota, Killam Pioneer, Passed Away

Friends in this district will regret to learn that Mr. W. P. Strachota, of Killam district, passed away suddenly while in Edmonton on Thursday, Jan. 24th. He had been ailing for some time but his condition was not considered serious. A sudden heart attack from which he did not rally, was the immediate cause of his sudden demise. He was in his 54th year and came to Killam in 1906. He leaves to mourn his loss, his wife, two sons and two daughters.

An oil man in Denver jumped out of a six story window because a woman lied to him. She told him her husband was in Montana.

## THE FIRST REAL CANADIAN MONEY

History relates that Canada, in 1817, "was too poor to afford the luxury of a metallic circulating medium, and the development of trade and agriculture was hampered by the lack of facilities for exchange."

American money, also British and French and some Spanish and Portuguese, was used—all subject to fluctuating rates of exchange and causing monetary confusion. There was no Canadian money, either coin or paper.

But in 1817, when the Bank of Montreal was started, its directors—merchants who knew what Canadian business urgently needed—immediately provided a paper currency (the Bank's own bills in small denominations) and later copper coins. These Bank of Montreal issues were the first real Canadian money.

Through 117 years since then, the Bank of Montreal's notes have performed a useful function, as Canadian business has grown from small beginnings to its present extensive proportions. These notes have provided a sound, dependable and elastic currency, their volume automatically expanding and contracting with the changing demands of trade.

Notes of the Bank now in circulation amount to \$35,000,000, or about one-fourth of the entire commercial bank note currency of Canada.

The Bank's resources (\$750,000,000) are likewise about one-fourth of the total resources of the Canadian commercial banks. These figures indicate the extent to which the Bank of Montreal participates in Canadian business activity.

Heard at the poker party: "Does your wife treat you the same as she did before you were married?" "Not exactly. Before we were married when I displeased her she refused to speak to me."

## In Movie Language

Mrs. Blupe: "Did you see the Smith twins?"  
Blupe: "Yes."  
The Mrs.: "Don't you think the boy is a picture of his father?"  
Blupe: "I sure do—and the girl is a talkie of her mother."

"There goes a married man," remarked a clerk in a Holden store. "How do you know?" asked a patron. "He used to buy a three-pound box of chocolates twice a week, and now he buys ten cents worth of peppermints once a week," replied the clerk.

Just what happened in a Wainwright household the other night is related by one of our careful observers who sends it to this paper in the following poem:

George held her hand and she held his'n,  
And they hugged and went to kin's.  
They did not know her pa had riz'n—  
Madder than hops and simply sis'n,  
And really tiz'n right to lis'n,  
But George got his'n and went out whis'n.

Jenkins was sitting down to breakfast and was astonished to see in the paper an announcement of his own death. He called up his friend Smith and asked: "Have you seen the notice of my death in the paper?" "Yes," replied Smith. "Where are you speaking from?"

"Doctor," said the young lady, "There's something wrong with our baby's diet. He doesn't gain as he should. What do you suggest?" "Is he a bottle-fed baby?" asked the doctor. "No." "Well, we'd better make a thorough examination," said the doctor cheerfully. (pause) ... There, does that hurt?" "No. ... I guess it feels alright, said the patient uncertainly, but doctor, I'm just the baby's aunt."

"But you didn't tell me there was a mortgage on the house," said a prospective customer to a Todold real estate man. "Don't you remember? I told you it had all the modern improvements," replied the agent.

"So you don't believe that the good die young?" asked a girl of her new Bruce fellow at the dance. "That used to worry me a good deal when I was a boy," he replied, "but I know better now."

THE PROPER CARE OF YOUR AUTOMOBILE  
Selecting the Right Polish

IN the first article it was told how many motorists make the mistake of believing that their cars must be re-finished when the finish becomes dull and faded. In restoring the color and gloss of the finish, however, it is important that the right polishing material be selected. There is little advantage, for instance, in using an oily polish, because it doesn't remove the traffic film, but only forms an oil film over it.

The best results are obtained by the use of a polish which contains a mild solvent to soften the traffic film, and a light abrasive to clear away the chalked pigment and dirt.

When they start cleaning their cars, many people become alarmed when they see color coming away on the cloth. They assume that the polish is too severe, and will wear away the finish on the car. But there is nothing to fear when the properly formulated polish is used. The color on the cloth simply indicates that the tiny particles of pigment, loosened by the weathering, are being removed with the traffic film. This chalked pigment and accumulation of dirt and grease must be removed to uncover the hard live lacquer beneath.

## New Body Lines and More Room in 1935 Ford V-8

THE largest and roomiest cars Ford has ever built, with new body lines of advanced streamline design, are illustrated above in this Ford V-8 de luxe Tudor sedan for 1935. Sedans seat six passengers in comfort. Luxurious appointments are new. The eleven body lines are all finished in new baked enamel which is said to need only washing to restore its high luster. Cars are approximately eight inches longer from bumper to bumper and seats are wider. Chassis improvements, including moving the engine forward more than eight inches and new spring suspension, add to riding comfort, especially of rear seat passengers. Directed-flow crankcase ventilation is an improvement of the 90 horsepower V-8 engine.

The next meeting of the Irma W. I. will be held at the home of Mrs. Webber on Thursday, Feb. 7th.

We see a number of our young men enjoying some fast rides on their skis with a car in front of them as the motive power.

Mrs. V. Hutchinson returned home from Edmonton last Tuesday, where she was a patient in the Royal Alexander Hospital.

Everyone is wearing a smile and feeling good these days since the cold snap has passed.

Commercial men are driving from Edmonton to Irma and leaving their cars here, to go on further east on the train.

Now that nice weather has arrived the farmers are starting to haul grain again. There is plenty of snow now for sleighing which makes hauling easier.

A card party and dance will be held in the Alma Mater school house on Friday, February 8th. Ladies please bring cakes.

Inspector L. Good, of Wainwright, paid his annual official visit to the Irma public school on Wednesday, January 30th.

It is time you were planning your costume for the masquerade dance in Kiefer's hall on February 15th.

Mrs. Gordon Ambler was taken to the Wainwright hospital in a serious condition last Wednesday, Jan. 30. Born—To Mr. and Mrs. J. Dunbar, Irma, on January 24th, a son.

Congratulations are being received by Mr. H. G. Thunell, Viking editor of the Viking News and Irma Times, on his election to the office of president of the Alberta division of the Canadian Weekly Newspapers Association, at the convention held in Calgary last Saturday, January 26th.

The annual meeting of the Irma Branch No. 112, Canadian Legion, B. E. S. L., will be held in Hedley's hall, on Thursday, February 7th, at 2 p.m. All members are urgently requested to attend.

The retiring Councillor this year is Mr. G. A. Tripp and nominations for a Councillor will be received in the village office on Monday, February 4th, from 11 a.m. to 12 o'clock noon.

A very interesting public meeting was held by the Irma Social Credit Group in Irma last Monday afternoon. The weather being fine a large number of residents of the district availed themselves of the opportunity to hear this social credit system discussed. A straw vote is being taken to see what percentage of the voters are in favor of the system.

The usual preaching service will be held in the Irma United church on Sunday, February 3, at 7:30 p.m., in charge of the pastor. Sunday school at 11 a.m.

At the regular January meeting of the Alma Mater and Roseberry Ladies' Aid, which was held at Mrs. Oldham's, it was decided to hold a concert in Roseberry school on Friday, February 22nd. The next meeting will be held at the home of Mrs. Russell Williamson on the last Thursday in February.

Messrs. J. Jackson, R. Dempsey, J. Watson, J. Stud and M. Enger attended the annual meeting of County L. O. L. held in Wainwright last Monday evening. Mr. J. Jackson was re-elected Master and Mr. Martin Enger Cor. Sec'y.

Miss Molly Miskimins is spending a day with her sister, Mrs. E. Fenton, on her way to Thorby, Alta., where she has accepted a position.

Mr. Ray Locke has returned to the country to finish his holidays.

Since the cold weather has passed on, the young and old people are taking advantage of the skating rink.

Come on, you old men, don't let the young lads run off with your wives to the skating rink to give them a good time as they did last Sunday evening. Hurrah! Let's go this week-end.

Mr. Ross McFarland was seen getting back into youth last Sunday, taking a flying trip down the hills on his skis.

Dick Yoeman admits he was always in the way of the puck at Viking last Saturday evening, although his eyes were staring over at the penalty box at Jack.

## Viking Items

A brief account of the doings of the hockey team is that on Wednesday last they lost a hard fought game with Holden here by the score of 4 to 3, after a ten minute overtime period. Score makers for Viking were McEachern, R. McLaren and A. Ross.

On Saturday evening the league leaders were up from Irma and in a hectic struggle that was marked by some strenuous hockey on both sides, Irma emerged victorious by the score of 2 to 0.

On Tuesday night the team travelled to Tofted and won a brilliant contest by the score of 5 to 4. The game started late on account of the road conditions which delayed our team's arrival.

The Viking team is now practically in the play-off series and are coming in the play after a slump that put them behind. Good support from the public at the local games will make a world of difference.

On Friday evening of last week a three-act comedy drama, "Soft Soap," was given in the Elks hall here, under the auspices of the Viking Lodge B.P.O.E., by the Beaveridge Players. The show was well staged and full of comedy and fun. Between acts vaudeville turns were given.

Due to the cold weather and the recent heavy snowfalls very few country folk were able to attend, but a good turnout of town people enjoyed the entertainment. Dancing was enjoyed after the program to music by members of the Beaveridge cast, assisted by local musicians.

This show troupe expect to be in this vicinity again in about a month's time, and it is hoped that they will stage another play here about the end of February.

The annual meeting of the Viking School district No. 1906 drew a large crowd to the Elks hall on Monday evening, and any fears that the residents were not interested in the affairs of the school district were soon dispelled after Mr. C. G. Purvis chairman of the board, opened the meeting at 7 P. M.

The only item that met with any criticism of the trustees report was the conditional cancellation of the taxes and arrears of taxes of the Elks community hall. After some discussion this action of the board was approved on motion by Dr. Haworth and J. McLellan.

The public and high school inspectors' reports of the teachers and general analysis of the work of the pupils in each grade were read and proved very interesting. The consensus of opinion was that the school had a very conscientious and efficient staff both in the public and high school grades. We are pleased to mention here the most excellent report given the primary room in charge of Mrs. S. Clark, teacher. It is in the primary room where the real foundation of education is laid and future progress of the pupils is influenced to a large degree.

The chairman called for nominations for one trustee, the term of Mrs. Jessie Collier, a member of the board, having expired. Two nominations resulted, that of Mr. J. J. Leeder, by J. J. Brown and J. L. Slavik; and Mr. S. Lefsrud by Mrs. Goodwin and Mrs. Martell. Ballots were prepared and a spirited election ensued for two hours, when 165 electors cast their votes, which resulted in S. Lefsrud securing 92 votes, J. J. Leeder 76, there being 7 spoiled ballots. The chairman announced the result of the vote and declared S. Lefsrud elected trustee for a term of three years.

The teachers got a break when a motion was passed to the effect that the salaries of teachers be increased at the discretion of the Board. It was generally felt that teachers who provided efficient from year to year that some recognition should be given in the form of an annual raise in salary.

The levy of a poll tax during recent years proved a rather contentious matter and was discussed pro and con at considerable length. The question was disposed of by the meeting on a standing vote recommending that a poll tax be not levied on persons receiving less than \$50.00 per month salary.

Mr. Graham asked for the reading of the minutes of the meeting of the Board of Trustees for June 26th, 1934, containing the alleged dismissal of H. B. Rogers, former principal of the school. It was contended that Mr. Rogers had not been given sufficient notice of termination of his contract with the Board. Considerable heated discussion took place on this question, and the upshot was that a suggestion was made that new contracts with teachers be dated June 1st instead of June 30th, so that both the Board and the teachers be given plenty of time in which to make changes if so desired.

The Viking Cafe has installed four new booths and several repairs and alterations to their building are being made.

## Here and There

Employed on railway construction 60 years ago, Thomas D. McGilvray, 55, of Edmonton, claims the distinction of having placed the last carload of dirt on the C.P.R. when that trans-continental line was completed to the Pacific coast in 1885. Despite his advanced age he still has a clear recollection of incidents on construction.

Miss Mary McNeill, superannuated in December after over thirty years on the Upper Lakes as stewardess of the C.P.R. Great Lakes Steamships, spent almost her entire service as chief stewardess of S.S. Koovalah, sailing with her every season from her maiden voyage in 1908 until the close of the 1934 season.

Fortunes are being spent on research in the science of armaments but not one penny for research in the field of disarmament, said Prof. Julian Huxley, famous grandson of the even more famous Thomas H. Huxley, in outlining the meaning and functions of science, its shortcomings and possibilities, at the Lord Nelson Hotel, Halifax, recently.

"Our province will soon take an important place, if not the leading place, among the gold-producing countries of the world," stated Hon. J. E. Perrault, Minister of Roads and Mines of the Province of Quebec, in a recent address on "The Mining Industry of Quebec," at the Chateau Frontenac, Quebec City.

Interviewed at Victoria recently, N. R. DesBrisay, assistant passenger traffic manager, Canadian Pacific Railway, stationed at Winnipeg, said that indications pointed to a better all-around tourist season for 1935 over 1934 much improved though that year had been over previous tourist seasons.

Ski-joring behind a fast running horse; mushing with a team of huskies; skating or ski-joring on the mountain trails all come under the heading of real sport, is the view of Miss Dorothy Standish who reigns as Banff Winter Sports Beauty Queen during this year's season in the Canadian Rockies.

Harry Loder, tourist, travelling along a highway near Banff by car recently, saw a golden eagle fly by the window of his car, and reaching out caught it by the neck and pulled it into the automobile. He turned the bird over to the Banff Zoo.

A forty-mile ski race, a forty-mile snowshoe race, motorcycle ski-joring, figure skating, ladies and men's hockey, championship speed skating, pony ski-joring, trap-shooting, ski-jumping and many swimming events in the warm pool, will be featured at the club winter carnival at Banff on the week's programme beginning February 14.
